SPORT-HUNTED TROPHY IMPORT PERMIT

APPLICATION INSTRUCTIONS

The following instructions pertain to the standard License/Permit Form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service permit. The General Permit Procedures in 50 CFR 13 address the permitting process.

*Complete all blocks/lines. Print clearly or type in the information. *A complete application prevents delays!*

*Sign the application *in ink* and send an *original* to the address on the top of the application. Faxed copies will not be accepted.

*Applications will be processed in the order they are received.

*Please plan ahead. Allow 60 days for your CITES trophy import application to be processed.

*Trophy import permits are valid for one (1) year from the date of issuance.

Most of the application form is self-explanatory, but the following may provide further assistance for completing the form.

Block A. **"Complete if applying as an individual"** - Enter the complete name including middle name or initial of the responsible party who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. All blocks must be completed. If you are a taxidermist applying on behalf of a client, the personal information must pertain to the client. A notarized document stating power of attorney must be included with the application.

Block C.1 **"Do you currently have or have you had any Federal Fish and Wildlife license or permit?"** - List the number of any FWS or CITES permits. If applying for a renewal, the original permit must be returned with this application.

Block C.2 **"Have you obtained any required state or foreign government approval to conduct the activity you propose?"** - If the proposed activity is regulated, check the appropriate box. If "yes," list the State or foreign countries involved and type of document required. Include a copy of these documents with the application. If "no" indicate what steps you have taken to secure approval (use attachment if necessary). If the proposed activity is not regulated check "not required".

Block C.3 **"Attachments"** - Consult the fact sheet or regulation. Provide any required additional information outlined on the supplemental page(s) of the application form. Be as complete and descriptive as possible. If there is any doubt as to the information's relevance, include it with the application. An incomplete or unclear application may cause delays in processing.

Block C.4 **"Check or money order (if applicable)"** - There is a permit processing fee unless you are fee exempt. Consult the enclosed APPLICATION PROCESSING FEE information. Make the check or money order payable to the "U.S. Fish and Wildlife Service" and attach it to the application form. If you are fee exempt, write "exempt" in this space.

Block C.5 **"CERTIFICATION"** - The **individual applicant in Block A, the person named in Block B, or person with power of attorney must sign and date** the application in ink. This signature binds that person to the statement of certification. This means that you certify that you read and understood the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application before signing.

***Be sure to complete the second page of the application, which details your take of the southern African leopard, African elephant or Namibian Southern White Rhinoceros.**
